

Merit Badge Counselor Request

Friday & Saturday, November 10 & 11, 2017

(This event is open to all Scouts in our area & beyond.)

Thank you for volunteering to help with the LDS Fall Merit Badge Clinic for central NC and beyond. So that we might best utilize your services, please email this form or the information requested to the address below ASAP (Clinic registration begins on October 14th.) I can add new merit badges even after the initial registration date.

How many sessions of the Merit Badge are you willing to teach? _____

Maximum number of Scouts per MB session? _____

Can your MB be completed at the clinic? Yes No Yes, if prereqs are completed ahead of time.

MB Prerequisites (requirements that must be done before or after the clinic):

Material Fees the Scout would need to pay:

Special instructions you would like to have on the Scout's MB Clinic registration form (for example: Bring a sharpened pocket knife for the Wood Carving MB.):

On the registration form, Scouts will be directed to bring a copy of the MB pamphlet, and any fees, equipment, or supplies that they will need to provide. The expectation is that the MB counselor will provide any specialized equipment or material not readily available to the Scout.

* Most counselors will teach their MB during a single 3-hour session . . . possibly with a repeat session for another group of Scouts. With our schedule, counselors have the option of using more time if needed. For example one could hold a class session Friday night and then do a field trip or project on Saturday. On the back of this form, please let us know of any special needs you would have that are not enumerated above. One year we tried 1 ½ hour sessions, but they were too hard to administer. If you have a short MB, please add a second MB (taught by you or a partner) to fill the entire three hours.
